

## **Draft Terms of Reference**

### **Energy Price Limits Working Group**

#### **SCOPE**

The Working Group will consider and develop any amendments to the Market Rules resulting from the ~~2007~~ Review of the Energy Price Limits. In particular, the Working Group is requested to

- Consider the recommended amendments to the methodology regarding heat rates and startup costs
- Assess the recommendation to remove the Maximum Shutdown Price
- Assess the need for changing or providing more flexibility regarding the frequency of the Energy Price Limits reviews
- Consider, as necessary, issues raised in submissions made by Participants in response to the IMO's Draft Report
