
**Wholesale Electricity Market
Rule Change Proposal**

to promote the economic, safe and reliable production and supply of electricity and electricity related services in the other, best interconnected system to encourage competition among generators and retailers in the other, best interconnected system, including facilitating efficient entry of new competitors, to avoid discrimination in that respect regarding alternative energy options and technologies, including, support in alternative energy options and technologies such as those that use use of renewable resources or that reduce overall greenhouse gas emissions,

In order to put the matter beyond doubt, the MO proposes to amend clause 10 to clarify that the power to delegate given by the Merit Rules extends to any delegation made to officers or employees of the MO.

Clause 10 of the Merit Rules, which gives system Management the power to delegate, is phrased in the following clause: it permits system Management to delegate to competent persons. Because it is in the same terms as the MO delegation provision, could

4) Describe how the proposed Market Rule change would allow the Market Rules to
