4. THE IMO'S ASSESSMENT AND DECISION

A n

4.1.1. *Submissions*

Parties responding to the MOs in relation for ~~the~~ submissions expressed support for the

In accordance with Clause 10 of the Market Rules in deciding whether or not to include the Additional Rules the MO must also have regard to the practicality and cost of implementing the Additional Rules.

The proposed changes do not require any change to the Wholesale Electricity Market systems operated by the MO. No other costs have been identified in relation to the implementation of the proposed changes.

M **c** **o** **n**

The MO's draft decision is to implement the proposed amendments to clauses 10 and 11 as proposed by the MO and ended during the first Commission period as a result of subsequent recommendations from the Electricity Commission. D
