

ELECTRICITY INDUSTRY ACT 2004
ELECTRICITY INDUSTRY (WHOLESALE ELECTRICITY - MARKET)
REGULATIONS 2004
Wholesale Electricity Market Rules

IMO AMENDING RULES RC_2008_32 MADE ON 20 MARCH 2009

These Amending Rules commence at 08.00am on 1 May 2009

The following clauses are amended (deleted word in ~~red~~, new word in blue)

1. A meter data submission uses the following:
- (a) the definition of the Meter Data Agent;
 - (b) the Trading Month to which the meter data relates;
 - (c) for each interval meter and each Trading Interval the Trading Month described in (b)
 - i. the definition of the meter;
 - ii. the MWh quantity measured by the meter and
 - iii. whether the quantity described in (i) is based on an actual meter reading or an estimate, and if based on an estimate, the applicable code describing the reason for the estimate;
 - (d) [Blank] and
 - (e) Meter adjustments have been from actual meter data becoming available or from the resolution of a dispute concerning meter data ("meter dispute") in accordance with the dispute resolution process in the applicable Metering Protocol including
 - i. For each interval meter and each Trading Interval the calendar month to which a meter dispute has resulted in changes to meter data
 1. the MWh quantity for that meter;
 2. whether the quantity described in paragraph (1) is based on an actual meter reading or an estimate, and if based on an estimate, the applicable code describing the reason for the estimate and
 3. the applicable code describing the reasons for the change in the MWh quantity relative to the previously stated value.
 - (f) ~~the number of non-interval or accumulated meters has exceeded at the end of the Trading Month to which the meter data relates~~
