Submission

1. Please provide your views on the proposal, including any objections or suggested revisions

The proposal for the Confidentiality of Accepted Outages (CAO) is a necessary and important step in the development of the Wholesale Electricity Market (WEM) and is essential for the efficient operation of the market. The proposal is supported by the industry and the public.

2. Please provide an assessment, whether the change will better facilitate the achievement of the Market Objectives

The proposal for the CAO is a necessary and important step in the development of the Wholesale Electricity Market (WEM) and is essential for the efficient operation of the market. The proposal is supported by the industry and the public.

3. Please indicate if the proposed change will have any implications for your organisation, (for example changes to your IT or business systems) and any costs involved
