1. INTRODUCTION

On 11 June 2009, the Independent Market Operator (IMO) submitted a Rule Change Proposal regarding the amendment of clause 4.27.2 of the Wholesale Electricity Market Rules (Market Rules).

Depend on

Both submissions received

APPENDIX 1: FULL DETAILS OF THE PROPOSAL

Background

Clause 4.27.2 of the Market Rules requires the IMO to assess the number of days in the preceding 12 calendar months where the total available capacity in the system dropped below certain levels.

The IMO proposes that clause 4.27.2 be modified so that the assessment is required to
