Submission

1. Please provide your views on the proposal, including any objections or suggested revisions.

Synergy supports Rule Change Proposal RC_2009_27 and the additional amendments to the Market Rules proposed by the IMO in the Draft Rule Change Report which will enable a participant to seek, in advance, approval by System Management to deviate from its Resource Plan to conduct an Equipment Test.

-
4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed.

Synergy would be able to implement this rule change immediately.
