Date submitted:	18 August 2011

Submission

1. Please provide your views on the proposal, including any objections or suggested revisions.

Synergy supports Rule Change Proposal RC_2011_08, which acts to ensure that:

- (i) The current limitation that may prevent dispatch of a Curtailable Load for Network Control Serv. (Ne5al)7nE2.87M.7(ourTn8a3;.2(dourTn1935925 TD.0002 Tc-0023Tw818))229.8)enrren)7.2(Re)Jsd

(a) to promote the economically efficient, safe and reliable production and supply of electricity and electricity related services in the South West interconnected system;

by ensuring Curtailable Load is available when it is most needed i.e. during periods when system security is at risk.

3. Please indicate if the proposed change will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

Synergy would not require any changes to IT or business systems, nor incur any organisational costs as a consequence of adopting the proposed change.

4. Please indicate the time required for your organisation to implement the change, should it be accepted as proposed.

Synergy would be able to implement this rule change immediately.
