

Rule Change Extension Notice Formalisation of the Process for Maintenance Applications (RC 1.1)

This notice of extension is given under clause 1.1 of the Wholesale Electricity Market Rules
Market Rules.

Submitter - Ene Ryan IMO

Date submitted - 1 March 2017

Date of extension - 1 May 2017

In accordance with clause 1.1 of the Market Rules the IMO has extended the timeframe for the publication of the Draft Rule Change Report for the Rule Change Proposal For Formalisation of the Process for Maintenance Applications (RC 1.1) by Business Days from the IMO's intended date of publication of 1 May 2017 until **Friday 1 July 2017**. The IMO has expedited the publication of the Draft Rule Change Report to six Business Days rather than the usual Business Days to allow for the proposed Amending Rules to commence on 1 August 2017 and be applied for the next period of consumption deviation applications for the determination of the Non Temperature Dependent

If the IMO's decision is to approve the Rule Change Proposal then the following will apply

- The Minister considers the Rule Change Proposal and the proposed Amending Rules,
- If approved the Amending Rules come into force.

Extended timeline

The projected timeline for processing this proposal including the extension is

Steve Ryan
