

Communique

WA ACE Forum

30 November 2021 meeting

The eighth meeting of the Western Australian Advocacy for Consumers of Energy (WA ACE) Forum was held on 30 November 2021.

Energy Transformation Strategy Stage 2

Members were provided with an overview of the work program for Stage 2 of the Energy Transformation Strategy and discussed the relationship to decarbonisation of the electricity and gas sectors.

Emergency solar management

for new and upgraded rooftop solar energy system installations with an inverter capacity of 5kW or less from 14

WA ACE Program and Expert Consumer Panel update

Members were informed of the activities of the Expert Consumer Panel (ECP), including providing Reserve Capacity Mechanism review. Members were also updated on the potential release of the WA ACE Grant round for 2021-22.

About the WA ACE Forum

The WA ACE Forum brings to together consumer representative bodies from across Western Australia to provide consumer insights to the energy sector, supporting informed, valuable contributions to the energy debate in Western Australia. The WA ACE Forum meets five times a year.

The WA ACE Forum is not a decision-making body, nor is it required to form consensus. Accordingly, this Communique does not reflect the views of Energy Policy WA or any particular member organisation, rather it seeks to share the key areas of discussion by the Forum.
