

EXEMPTION NOTICE

Environmental Protection (Controlled Waste) Regulations 2004 Part 4, Regulation 49

Exemption number

3. The quantities of controlled waste transported shall correspond with the quantities required to be reused in the concrete batching processes at one of Holcim (Australia) Pty Ltd premises, listed in this exemption notice.
4. The vehicle or tank used to transport controlled waste on a road is used in such a way as to prevent the waste spilling, discharging or falling from the vehicle or tank.
5. A documented spill management plan is accessible to the driver and accompanies each vehicle transporting the controlled waste.
6. Suitable spill equipment accompanies the vehicles transporting the controlled waste.

In accordance with subregulation 49(2E) if a condition of this exemption notice is breached, the exemption ceases to have effect.

Period of Exemption

This exemption begins on the date of this notice and ends on 6 September 2024.

Revocation or Variation

In accordance with subregulation 49(2) this exemption notice may be revoked or
