Consultation Question 5:

Do stakeholders support retaining the current System restart cost allocation method?

Yes

Consultation Question 6:

Do stakeholders support retaining the current NCESS cost allocation method and to review this once a number of NCESS has been procured?

Yes, we support retention of the current allocation process. As with question 2, we support reviewing this based on experience but would not support significant changes to cost allocation unless there is sufficient time to notify customers.

Should you have any questions please do not hesitate to contact me at p.peake@perthenergy.com.au or on 0437 209 972. This submission may be made public.

Kind regards

Patrick Peake
