

Hello and welcome back to
KABC's quarterly newsletter.

The last few months have been
very exciting for KABC with the

Submissions for Keep Australia Beautiful Council WA's State Tidy Towns Sustainable Community Awards 2023 are now open.

The state winner (to be announced in November) will represent WA at the National Awards Event 2024 to be held in our own National Winner's town - Gascoyne Junction.

Regional and Remote Communities can enter in this years' Awards [here](#).

Our compostable car litter bags are making their way across the state.

If you would like to order these free bags, encouraging travellers to Keep WA Litter free, contact Rohan Swan rohan.swan@kabc.wa.gov.au or visit <https://wathankyou.com.au/> where you can order the bags directly.

If you're travelling through the City of Stirling, keep an eye out for our 'litter hero' campaign posters which have been placed on local bus shelters.

Become an 'Unseen Hero' and help us 'Keep it Beautiful' by submitting a report if you see someone littering from a vehicle.

You can submit your reports [here](#).
