

Supplier Wage Audit Example clauses

## Supplier Wage Audit Example clause for construction subcontracts and supplier contracts

### X.2 Employment Information Audit

(a) In this clause:

Employment Auditor means any person or Government Agency authorised by the ultimate recipient of the [Works/Goods/Services] to audit employment or industrial relations practices (including terms of employment).

Employment Information means records and information of any kind and in any form (including verbal) pertaining to employees or the terms and conditions of their employment, or payroll, but excluding any sensitive information (as that term is defined in the *Privacy Act 1988* (Cth)).
